

DR. PHYLLIS S. GLASCOE

Pioneer, Visionary, Pastor, Preacher, Teacher. Wife. Mother.

Doctor Phyllis S. Glascoe, is a pioneer, visionary, pastor, preacher and teacher in God's One Holy Universal and Apostolic Church. She was licensed to preach on June 2, 1996 and ordained on February 11, 2001. She received her Bachelor's Degree in Ministry from Andersonville Baptist Seminary in Camilla, Georgia and her Masters and Doctorate Degree in Divinity from North Carolina College of Theology. She is the Founder and Senior Pastor of Shachah World Ministries located in Oxon Hill, MD.

She is a General of the Faith and strategist that is persuaded that God's blessings are LIMITLESS when the heart of God's servant is convicted that salvation is PRICELESS. She walks in the office of the Apostle and recognizes the mandate upon her life to uproot, cast down and drive back the forces of darkness while claiming regions and territories for the Kingdom of God. She is persuaded that KINGDOM EXPANSION requires the work of unified and skilled hands.

Therefore, on June 2, 2004, Dr. Glascoe and her husband Bishop Glascoe established Shachah World Ministries of the Northern Neck located in Lancaster County, Virginia. In 2010 Dr. Glascoe was compelled to establish Kingdom United Christian Ministries Fellowship International (KUCMFI) where she is the Presiding Prelate. KUCMFI is a collaboration of Bishops and Pastors committed to cultivate kingdom leaders and laborers, strengthen local assemblies and birth new ministries according to the Great Commission. Dr. Phyllis Glascoe also birthed PG Ministries, a ministry that empowers women of every ethnicity to be healed of brokenness, victorious in facing challenges and perfected to HAPPILY LIVE their future. PG Ministries is the force behind an interactive workshop series entitled "Breaking the Glass Ceilings."

Dr. Phyllis S. Glascoe is committed to preach and teach Jesus, the HOPE OF GLORY, with boldness and clarity wherever God gives her an open door. Her preaching and teaching are Bible-based, challenging, empowering, and life-changing with the key focus of "KINGDOM." She speaks candidly about the power of God to resurrect, revive and resuscitate the human soul, and redeem time lost so that the fullness of Christ might rest, rule and abide in the restored believer.

She is married to Bishop Cornell P. Glascoe and they have 2 children and 2 grandchildren. Dr. Glascoe's motto is that purpose unfulfilled is kingdom unoccupied.
